Campers may bring in a kosher birthday treat, but please do not send in any item that contains nuts and/or nut products. Birthday treat suggestions include: fruit and Entenmann's Pop-Ems. Dunkin' Donuts and local kosher bakeries are not acceptable, as these are not guaranteed nut-free.

CARPOOL PROCEDURES (FOR CAMPERS NOT ON BUS ROUTES)

All campers arriving at camp by car must be escorted to their meeting locations. Parents/guardians should park in the main lot and walk their child(ren) to the Chaverim front courtyard or the Yeladim/Megalim, Sabra, Olim campsite. Drop-off time is between 8:45 and 9:00 a.m. In order to ensure an easy transition, please transfer campers to a staff member without entering the classroom or campground area; this will help the staff maintain order and begin the camp day.

Pick-up for 2:00 p.m. Chaverim/Yeladim campers:

Campers will be dismissed beginning at 2:00 p.m. at the playground entrance after the buses have been safely loaded. Parents/guardians must park and escort campers to their cars.

Pick-up for 4:00 p.m. Chaverim/Yeladim/Megalim/Sabra/Olim/L.I.T. campers:

All afternoon pick-ups are in the **front lobby** beginning at 4:00 p.m.

Na'arim and Chalutzim campers:

Campers can be dropped off between 8:45 and 9:00 a.m. at the Springfield campsite. For schedule purposes, trip departures cannot be delayed in order to accommodate late arrivals. Any camper missing a trip bus will not be able to participate in camp that day.

Parents will not be permitted to drop off or pick up campers at trip sites.

COMMUNICATION

Camp Yachad staff members are busy with camp activities throughout the day. FAMILY VISITATION AND TOURS

Camp Yachad Visitation Policy

- Camp visits must be scheduled through the Camp Office at least one day in advance.
- For security purposes, visitors must first report to the Member Services Desk and then to the Camp Office where they will receive a camp staff escort.
- Visitors will only be allowed on camp property, including the main building and pool areas, when accompanied by a camp staff member.
- For security purposes, parents will not be permitted to visit the Springfield site.

In order for families to see their campers “in action,” there are hour-long camp tours Tuesdays and Thursdays throughout the summer. The tour times are 9:30 a.m. and 1:30 p.m. Please provide advance notice if you will be coming to one of our weekly tours.

FOOD

Ordering Lunch

Kosher Korner at the J, the camp lunch provider, offers many camp lunch menu options. While Camp Yachad is a kosher dairy camp, there will be days that kosher meat will be an option for lunch. For details on the camper lunch program, please refer to the menu/registration forms which are included in this packet, and can also be downloaded online at www.jccnj.org.

Bringing Lunch

- Lunches from home must be dairy or parve. Suggestions for a kosher (non-meat) lunch include: cream cheese and jelly, tuna fish, egg salad, yogurt, cheese, fruit, cold drinks, and snacks. (On the days the camp menu offers a meat option, campers who bring their own lunch are still required to bring a dairy or parve lunch.)
- All lunches will be refrigerated or put in coolers.
- Lunch boxes are not permitted.
- All lunches must be clearly marked with the camper's full name and group.

A morning and afternoon snack will be provided for all campers and an afternoon snack will be provided for travel campers. Complimentary pizza will be served to all onsite campers and Na'arim on Fridays.

Our policy remains that there is no sharing of lunches or snacks due to allergies and the Kashrut policy at the JCC.

HEALTH AND SAFETY

Parents are asked to cooperate with the camp program by paying careful attention to their child's health and by keeping him/her at home when there is any indication of cold symptoms, nasal congestion, sneezing, coughing, fever, upset stomach, overtiredness, rash and/or lice. (See below for details on specific conditions.)

Fever Policy

A child should not return to camp until he/she is fever-free for a **full 24 hours or a full camp day** without any fever-reducing medication such as Tylenol or Advil.

Doctor's Notes

If a child has been diagnosed with a communicable disease (e.g., conjunctivitis or pink eye, impetigo, strep throat, chicken pox, lice), please notify the camp nurse immediately. A note signed by the child's health care provider allowing the child to return to camp must be sent to the camp office before the child will be readmitted to camp.

A note signed by the child's health care provider is also required for any skin abnormality and/or rash. The note must include the diagnosis (e.g., eczema, poison ivy, impetigo, molluscum, ringworm, scabies, type of bug bites, etc.), **plan of care** (e.g., medicines, cream, ointments used in camp and/or at home) and **whether or not the condition is contagious**. If contagious, we will also need to know when the condition is no longer contagious. (This is required by the Aquatics staff.)

Contagious Skin Conditions

Conditions such as *impetigo* and *molluscum* are highly contagious and easily passed in a camp environment through contact, clothing and towels, pool equipment (e.g., "noodles"). Please check your child(ren) regularly for any signs of rashes or unusual bumps on the skin. For more information on these conditions, a good source (with reference photos) is <http://en.wikipedia.org>

If you detect any signs of skin abnormalities, please contact your pediatrician immediately.

Lice

In general, camp recommends that you check your child(ren) frequently for lice (a.k.a. pediculosis). Please report any cases occurring two weeks or less prior to the start of camp to the Camp Nurse. If at any point during the summer you find or suspect any evidence of lice, please call the Camp Nurse immediately. If necessary, she will check other campers and siblings. It is important to contact your physician for proper treatment. Camp policy requires that a child be kept home 24 hours and have no nits upon returning to camp. Follow up treatment **must be** administered 7 - 10 days later. At that time the Camp Nurse must also recheck your child. For more detailed information please visit www.lice.com or www.licebegone.net.

Emergencies

In case of an emergency, parents and emergency contacts are always notified first. If it is not possible to reach a parent/emergency contact, the child will be taken by ambulance, with a staff member, to the nearest hospital for emergency treatment. Continued attempts will be made to reach a parent/emergency contact.

Allergies

Parents should make sure that they have reported all allergies (medicine, food, environmental, insect stings) to the camp office on the camper health form. If any new allergies or medical conditions arise, it is the responsibility of the parent to inform the Camp Nurse (and Unit Director) of any changes in the camper's medical profile.

Sunburn/Injury Prevention

Please apply sunscreen everyday before your camper comes to camp. Camp Yachad staff helps children reapply sunscreen throughout the day as needed.

Other Health Notes

Due to the volume of children and staff seen each day, notes from the nurse will not be sent home for minor issues (e.g., scrapes, suntan lotion in the eyes, minor stomachache that resolves quickly, etc.).

If any child shows signs of ill health during the day, he/she will be seen by our camp medical staff. Arrangements will then be made by the parent or designated alternate for the child's prompt return home.

If a child has been sent home or has been absent two or more days, the parents should call the Camp Nurse to explain the nature of the child's illness and/or other reasons for absence.

HEALTH FORMS AND INSURANCE

Each camper is required by New Jersey state law to submit a health form completed by a physician. A camp health form was included in your registration packet and may be downloaded at www.jccnj.org. Signed forms are due in the camp office by **Monday, May 3**.

Health forms received by the camp office later than May 3 may result in a delay in the camper's admission to camp.

The camp staff is not authorized to photocopy health forms at the end of the summer for use in preschools.

Group Accident Insurance

JCC members are covered by a group accidental medical program. This coverage is to be used as secondary insurance to a member's primary health coverage. It includes \$5,000 accidental medical limit (excess), a \$1,000 limit for dental (no tooth limitation) and is subject to a \$100 deductible.

INTERNET USAGE/SOCIAL MEDIA

Camp Yachad Staff

The concern for safety extends outside of the security of camp itself. Internet websites such as www.myspace.com and www.facebook.com offer campers and staff the ability to create personal web pages and blogs, but also expose their personal information to whoever may be using the Internet.

In the past, we have always provided our camp staff with helpful guidelines for appropriate contact with campers during the off-season. Now, with the extensive use of alternative means of communication (e-mail, instant messaging and personal web pages), we have re-assessed our guidelines and have extended them to include personal web pages.

Our staff is not permitted to communicate with campers via their personal web pages, e-mails or instant messaging. This includes posting comments about and pictures of campers. In addition, we inform our camp staff that posting pictures of campers on their own personal web pages or on websites where photos can be “dumped” (such as www.webshots.com and www.flickr.com), is not allowed either. As you may know, when we post photos on our camp website, it is password protected and we do not use names of campers.

The camp administrators will be reviewing these web-sites on a regular basis in order to ensure that our policy is being followed.

In order to learn more web safety tips for your children, you can go to www.myspace.com and click on the “safety tips” link at the bottom of the home page. Additionally, you can find a wealth of information on www.wiredsafety.org.

Parents

Parents may take photos during Shabbat visits and during camp shows. However, these photos (which will likely include other children) may not be posted on the internet/social media sites as not all campers have a photo waiver.

MEDICATION

Camp policy states all onsite medication is administered by the Camp Nurse (RN). (This includes prescription **and** over-the-counter.) Please notify the Camp Nurse of any special medication needs and be sure you and your pediatrician have signed the Mandatory Camper Medication Form which lists medication, dosage and medication times.

Medications must be brought to camp by **Sunday, June 27** in their original containers with the prescription label on the front. Medications will be administered by the Camp Nurse and be stored in the camp nurse's office. Medication administration will usually take place during morning snack, lunch and afternoon snack periods. This is to prevent children from having to go to the nurse in the middle of an activity.

For travel campers, any necessary medication will be administered by the Unit Director if all appropriate documentation has been received and reviewed by the Camp Nurse.

SAFETY AND SECURITY

The Camp Yachad staff has been trained in many areas, including supervision, emergency evacuation, emergency procedures and emergency response.

It is imperative that our camp families understand and are familiar with the lines of communication to and from camp in the event of a disaster. Please read the following and keep this information handy for future reference.

Emergency Communication

Camp Yachad is set up to broadcast emergency information to all camp families via an internet-based calling system. In the event that camp needs to communicate quickly with all families, a broadcast will be sent to the mother's cell phone number listed on our registration form. If no one answers, a message will be left on voicemail. We can only program one number per household. If you would like a different number called, notify the camp office via e-mail at campyachad@jccnj.org.

In addition, a message will be posted on the JCC website: www.jccnj.org.

In case of emergency, **please do not call the camp office**. All phone lines need to be kept free (if in service) for township and other emergency management communications.

Emergency Evacuation

If a situation calls for evacuation from our campsite, the JCC campers will be taken across the street to the Scotch Plains-Fanwood YMCA. Campers in Springfield will be transported to the Chisholm Community Center located at 100 South Springfield Avenue in Springfield. In the event of emergency, this information will be broadcasted to the camp population and posted on our camp website.

Emergency Pick-up

If camp buses will not be in service and campers must be picked up at camp, the staff will not release a camper to anyone other than parents or the individuals listed on the emergency contact portion of the camp health form.

Parent Delays

If an area emergency prohibits parents from commuting home on time by the end of the camp day, all JCC campers will be taken to the JCC building in Scotch Plains. Camp is prepared with two to three makeshift meals and bottled water to keep all campers comfortable. All staff will remain to supervise campers with activities and care after camp hours.

Security at Camp

At both the JCC and the Springfield campsite, several security measures will be in effect each and every day as follows:

- All JCC members must swipe their JCC Member key card upon entering the building.
- Any visitors to the JCC must sign in at the Member Services Desk and show photo ID upon entering the JCC building before receiving a visitor's pass.
- Any visitor to camp at the JCC building must first sign in at the Member Services Desk and then report to the camp office, sign in and wear a visitor's pass. They may only visit an area in camp by being escorted by a member of the camp staff.
- Staff shirts and nametags will identify all staff members each day.
- The Springfield campsite is an enclosed area with a front desk check-in system.

SIGNING IN AND OUT OF CAMP (DROP-OFF/PICK-UP)

Any camper arriving late or being dismissed early must be signed in or signed out at the Camp Office. Parents are not permitted to bring their child directly to the group or expect to pick them up from their group.

When picking up early from camp, parents must meet their campers at the Camp Office at least one hour prior to regular dismissal time.

TRANSPORTATION

About Vogel Bus Company

All Vogel vehicles are equipped with seatbelts and radios. Car seats are not permitted on the camp vehicles.

Vogel Bus Company has an outstanding safety record, and all drivers have passed a criminal background check and drug and alcohol testing.

Before the Camp Season

Practice bus runs are **Sunday, June 6** between 1:00 and 4:00 p.m. Please plan on being home to meet your bus staff, however it is not necessary to let us know if you will not be home at that time as all buses will need to stop at each home to identify camper addresses.

Buses and vans are supervised by bus counselors who are trained prior to camp.

During the Camp Season

It will take the first day or two of camp before buses run on a consistent schedule. Please allow this grace period, be patient with the adjustments, and have your campers ready on time for the bus.

It is the responsibility of a parent/ guardian to make sure that an adult is present to supervise campers in the morning for pick-up and at the end of the day for drop-off. Please have campers ready and waiting for the bus to arrive in the morning so that the route can proceed on schedule. Buses cannot wait an excessive amount of time for campers to board.

If there is not an adult present at the end of the day to receive a camper, the camper will be returned to the JCC and brought to the late-stay program where a parent/guardian will have to pick the child up

Please notify the transportation office if an unfamiliar adult will be present to receive your child on a given day. All communication must be handled through the transportation coordinator at the JCC and/or directly through the bus counselor via bus mail only. Do not leave notes posted to the door of your home.

Camp Yachad does not allow campers to ride home on different vehicles for "play dates."

If your camper will not be on the bus at dismissal, please send a note to the camp office via bus mail and make arrangements for an early pick-up.

TIPPING STAFF

Due to the fact that the JCC is a non-profit, social service agency, Camp Yachad does not maintain a tipping policy. However, we have received many inquiries and realize that many parents want to tip their child's counselors. Tipping is not mandatory and is solely at the discretion of the camp parents.

Tipping Guidelines (based on full summer five-day program)

Senior Counselors	\$40-\$50
Junior Counselors	\$30-\$40
