

**Building a stronger, healthier JCC requires investment!
Here's how you can help.**

- Pay your pledge on a monthly basis to get the JCC into better shape without putting too much stress on yourself. For example, a monthly contribution of \$100 over five years contributes a total of \$6,000 to the Capital Campaign...at only \$3 a day!
- We will have a beautiful donor wall in our renovated lobby. For \$1,800 you and your family can be publicly recognized for your generosity. For \$5,000 your donation can be made to honor or memorialize a loved one.
- Surprise and delight yourself with just how generous and supportive you can be! Give as generously as you can knowing how much your gift helps our JCC give back to our community.

You can make a gift online at www.jccnj.org or by using this form.

-Ezra 10:4

The future strength of our JCC is dependent on continual improvements to our facilities, programs and services to better meet the needs of our members. We are embarking on new and exciting initiatives at our JCC: the creation of a new Health, Fitness and Wellness Center, renovation of key areas within the building and improved programming and security throughout the JCC. Part of this initiative will also address enhancing and updating common areas such as the locker rooms, lobby and Weinberg Conference Center. We are committed to delivering a comprehensive range of fitness services to meet different life stages, preferences and interests thus ensuring the sustenance and growth of our JCC. For our JCC to be the hub for the Jewish community we need to serve our members' and future members' needs and demands for health, fitness and wellness services within the uniquely warm, welcoming environment that is our "home away from home."

Getting into better physical, emotional and financial shape isn't easy, but this dedicated effort is well worth it. Think about the soul of our JCC...the experiences and special memories the JCC has provided for your family, the deep friendships that began here and continue to grow and the wonderful feelings that come from having a place of our own to meet and greet, to learn and play and always feel at home.

Be among those who help shape our JCC and its continuing relevance, vitality and value by supporting this campaign to expand and enhance our health, fitness and wellness facilities, services and programming and enjoy the benefits now and for years ahead. We need your generous gift to achieve our campaign objectives and position our JCC for future strength. Our goal is to open our JCC's new and improved Health, Fitness and Wellness Center in the late spring of 2010 and raise \$1,000,000 to fund the improvements.

Help us ensure that we are able to serve you, your children and your children's children with a vibrant and inclusive hub that inspires Jewish community for generations to come.
