In order to ensure that all relevant and important policy and procedure information is in one place, this document reviews existing protocols with any future updates being incorporated as needed.

Parents are required to read this guidebook and attest that they have done so and understand all information, policies and procedures as stated.

CLASSROOM SPACES AND LOCATIONS

Each group will have a “home base” where they will gather during/after arrival.

This is where students will arrive, eat snack and enjoy some downtime after school. During After School, groups will rotate throughout the building to participate in different activities. This schedule of activities and specialists will change monthly.

DROP-OFF/PICK-UP

Students will be picked up from school by school bus. If your child’s stop is not the first one, we will have a staff member (either a school district employee or a JCC employee) with your child until the bus arrives. Students will ride the school bus from their school to the JCC with JCC staff.

All students must be picked up in-person from their classroom or recreational space where the group is located. All 4:45 p.m. dismissal children can be picked up before 4:30 p.m. from the room that their group is in. There are no pick-ups between 4:30-4:40 p.m. Pickups between 4:40-4:45 p.m. will be in the gym for all children registered until 4:45 p.m.

Children registered for 6:00 p.m. dismissal can be picked up from their group at any time. The Playground app will have live updates in the “feed” of your child’s group’s location in the building so you can find them.

Anyone who is allowed to pick up your child must be added to the Playground App as a “Guardian”. No child will be released to anyone who is not listed in their Playground account.

Upon entering the JCC, please use your Alta Open app to open the interior set of doors and then open the Amilia app to check in at the Member Services Desk.
All members must check in each day.

ATTENDANCE

If your child will be absent from After School, please mark them absent in the Playground app no later than 1:30 p.m. This is located under “Profile” in the Playground app.
You can mark an absence for one or multiple days at the same time.

SNACKS

We provide a daily snack after arrival for all children and at 4:45 p.m. for all 6:00 p.m. dismissal children. Please reach out to Jolie Saltiel at JSaltiel@jccnj.org with any allergy concerns.

ACTIVITIES

After arrival and snack, each After School group will be scheduled for various activities on a rotating schedule that will change monthly. Schedules will be shared with families monthly.

6:00 p.m. groups in 1st grade and older will include homework time.

TECHNOLOGY POLICY

iPads, laptops, Smart Watches and similar devices are not allowed to be used at the JCC or on JCC buses. Parents may email JSaltiel@jccnj.org if they wish for their child to be allowed to use their iPad/laptop to complete their homework. Devices are not allowed to be used for any reason other than homework.

JEWISH LEARNING, HOLIDAY CELEBRATIONS AND VALUES

Learning about Jewish traditions, culture and holidays is an integral part of the JCC family experience. We foster love of family and community as well as respect and appreciation for others through our Jewish heritage.

While we honor and appreciate all cultures, religions and backgrounds, and always look forward to hearing about children's experiences outside of school, please note that we do not celebrate Halloween or Valentine's Day at the JCC.

This year, we will have special Shabbat celebrations once per month as well as holiday celebrations. Dates are forthcoming.

PLAYGROUND APP

The Playground app is the primary way that the After School program will communicate with families. You will receive an invite via email and text to set up your account. All required forms at the start of the school year will be accessible only through Playground.

Counselors will post updates on Playground about your child's group's location in the JCC building so you can easily find them for pick-up.

Please use Playground to message JCC leadership during After School hours, and email for any concerns outside of After School hours and or registration changes.

COMMUNICABLE DISEASE PROTOCOLS AND PROCEDURES

SANITIZATION

Our Operations and Facilities Department has established sanitization protocols and procedures based on regulatory guidelines. All JCC facilities will be sanitized on regular schedules by trained staff who are supervised by shift supervisors responsible for overseeing all cleaning and disinfection. All HVAC system filters meet CDC guidelines.

NURSE/HEALTH OFFICE

There will be a registered nurse onsite at the JCC during school hours. Please check the Playground app and with the office staff to ensure that your emergency contacts are up-to-date.

The JCC Health Office can be reached at schoolnurse@jccnj.org or (908) 889-8800 x273.

COMMUNICABLE DISEASE POLICY

If your child has any symptoms of any illness, please notify our health office as soon as possible, within 24 hours. Any diagnosed communicable disease is particularly important to report as we notify exposed groups. After School participants should stay home until they are symptom-free, are fever-free (fever is considered 100.4°F or above) for 24 hours without fever-reducing medicine, are able to participate fully in school activities and have medical clearance from a doctor. If you have any questions about when a doctor's note is required, please contact schoolnurse@jccnj.org. See the following for After School requirements for some specific illnesses/conditions. Please note that we maintain the right to adjust policy based on community levels of illness and the safety of our participants and staff.

COMMUNICABLE ILLNESS

Parents/guardians are required to report any diagnosed communicable illness to the health office immediately (e.g., flu, strep, pink eye, COVID, lice, etc.).

Return-To-After School Policy:

Children may return when they are fever-free (under 100.4°F), symptom-free for 24 hours without medication, and able to fully participate in activities. A doctor's clearance may be required in some cases.

Key requirements:

Antibiotics (e.g., strep, pink eye): Must complete at least 24 hours of treatment before returning.

Lice: Must complete 24 hours of treatment or be professionally cleared as nit-free.

Rashes/skin conditions: Require a doctor's note clearing return; open or contagious lesions must be fully healed (molluscum must be covered). Swimming clearance must be specified if applicable.

Stomach illness (vomiting/diarrhea): Must be symptom-free for 24 hours before returning.

HEALTH FORMS AND ALLERGIES

Parents should make sure that they have submitted the required health forms and reported all allergies (medicine, food, environmental, insect bites/stings) to the Health Office through the health forms sent to you via email. If any new allergies or medical conditions arise, it is the responsibility of the parent to inform the health office staff and After School Director of any changes in the student's medical profile.

MEDICAL EMERGENCIES

Our healthcare team and After School Director will carefully and thoughtfully assess all medical emergencies and respond accordingly to ensure the health and safety of all students. If there is a medical emergency, parents and emergency contacts are always notified.

Health Office contact info:

SchoolNurse@jccnj.org • Health Office on Playground • (908) 889-8800, ext. 273

PHONE CONTACT

After School staff are not permitted to use their personal phones to text parents, and they are not permitted to give parents their personal phone numbers.

Please reach out to the After School Director with any questions or concerns.

ESSENTIAL ELIGIBILITY CRITERIA

Our After School Program welcomes children with a variety of abilities. We are committed to providing accommodations whenever possible to support children's safe and successful participation within on-site and travel programs, and while riding transportation.

Individuals applying for the After School or Enrichment program at the JCC must meet the following essential eligibility criteria:

- Participate positively and safely within a large, group environment
- Communicate basic wants and needs
- Follow staff instructions to ensure safety and participation, including during onsite programs, trips and transportation to/from the JCC
- Participate in program activities without a direct threat of physical injury and/or emotional harm to themselves, staff or peers
- Remain with the group during activities and transitions
- Independent with toileting and age-appropriate hygiene

IMPORTANT POLICIES

RELEASE OF CHILDREN

Each child may be released only to the child's custodial parent(s) or person(s) authorized by the custodial parent(s) to take the child in an emergency if the custodial parent(s) cannot be reached. Authorized guardians must be added to the child's profile in the Playground App as a "guardian". Children will not be released to anyone who is not a guardian on Playground.

A child shall not be released to a non-custodial parent unless the custodial parent specifically authorizes the JCC to release in writing. This written authorization, including name, address and phone number of the non-custodial parent, shall be maintained in the child's file. If a non-custodial parent has been denied access to a child by a court order, the JCC shall secure documentation to that effect and maintain a copy on file.

Upon entering the JCC, please use your JCC swipe to open the interior set of doors and then re-swipe at the Member Services Desk. All members must bring their swipe each day.

The procedure to be followed by staff member(s) if the parent(s) or person(s) authorized by the parent(s), as specified previously, fails to pick up a child at the time of the JCC's daily closing is as follows:

1. The child shall be supervised at all times.
2. Staff members will attempt to contact the parent(s) or person(s) authorized by the parent(s).
3. An hour or more after closing time, and provided that other arrangements for releasing the child to their parent(s) or authorized person(s) have failed and the staff member(s) cannot continue to supervise the child at the JCC, the staff member shall call the NJ Department of Children and Families (DCF) 24-hour Child Abuse Hotline (1-877-NJABUSE) to seek assistance in caring for the child until the parent(s) or person(s) authorized by the parent(s) is able to pick up the child.

Procedure to be followed by a staff member(s) if the parent(s) or person(s) authorized by the parent(s) appear to be physically and/or emotionally impaired to the extent that, in the judgment of the Director and/or staff member, the child would be placed at risk of harm released to such an individual:

1. The child may not be released to such an impaired individual.
2. Staff members attempt to contact the child's other parent or an alternate person authorized by the parent(s).
3. If the JCC is unable to make alternative arrangements, as noted previously, a staff member shall call the DCF's 24-hour Child Abuse Hotline (1-877-NJABUSE) to seek assistance in caring for the child.

DISCIPLINE

Our approach to guiding children's behavior is one of respect and support. We are committed to helping children develop socially acceptable behaviors and do so through positive guidance. Each child's development is a growth process, and it is not realistic to expect every child to be at the same stage based on chronological age. We work to create an environment that teaches children to behave in a responsible manner and establishes a foundation for mutual respect in the following ways:

- Setting realistic expectations for children's behavior.
- Creating environments that nurture success and positive behavior.
- Serving as appropriate role models.
- Using natural and logical consequences for behavior.
- Redirecting toward more appropriate behavior.
- Encouraging cooperation, negotiation and problem solving.

Discipline using punishment is inconsistent with our philosophy.

DISENROLLING A CHILD

Our programs are designed to support children's growth and to challenge them as individuals, each with their own way of learning and sense of self in the world. We appreciate the diversity of characteristics and behaviors that each child brings to the JCC, and it is our goal to provide programming that is responsive to the various learning styles and needs of the children in our classrooms.

Although we work to create a child-centered approach to learning, there are occasions when a child's behavior may require a more suitable setting. Examples of such include:

- Endangerment of themselves, other children or anyone else at the JCC.
- Any situation in which the accommodations for the child's success and participation place an unrealistic expectation on the school and its resources, and a determination has been made that disenrollment is indicated.

Other reasons for termination of enrollment include but are not limited to:

- Delinquent payment of tuition or membership.
- Parent/guardian actions not in sync with our philosophy of parent partnerships including failure to abide by policies and procedures of the Early Childhood Department and the Youth, Teen & Family Department and the JCC and/or physical or verbal abuse of any children, faculty or anyone at the JCC.

When a family desires to disenroll a child, written notification is required. A refund of unused tuition will occur only when a child has disenrolled because the JCC has determined that disenrollment is necessary.

HAZARDOUS SUBSTANCES

Hazardous substances shall not be used or stored in or on the grounds of the JCC without prior notification. The JCC shall post in the Early Childhood Office and the Youth, Teen & Family Department Office notice of any construction that will involve any hazardous substance. A fact sheet on hazardous substances will be made available.

REPORTING ABUSE AND NEGLECT

Those working with children are mandated to report signs of abuse and/or neglect, and are required by law to report cases to the appropriate state authorities if they have reasonable cause to believe or suspect that a child is suffering from abuse or neglect or is in danger of abuse and neglect.

The JCC will cooperate fully with any investigation and will maintain confidentiality concerning any report of child abuse or neglect. Our concern is always the protection of the child.

The Youth, Teen & Family team is so excited to welcome your children and fill their afternoons with joy and fun!

We're looking forward to creating meaningful experiences, supporting their growth, and making this a memorable year for everyone.

Thank you for trusting us to be part of your child's journey, we can't wait to see all that this year has in store! We're always here to support your entire family.

Please feel free to reach out at any time with questions or suggestions. Here's to a year of friendship, laughter, awesome snacks and new memories!
