

# ROCKS RUNDOWN

Summer 2025, Week 3 Edition

## DIRECTOR'S CORNER

Week 3 has come and gone with a very powerful reminder of why YACHAD ROCKS! This week was all about showing up for each other, spreading positivity, and embracing a camp environment where everyone feels safe, supported, and seen. Kindness at camp isn't just a nice idea—it's something we live out loud. Whether it's campers cheering each other on during a crazy camper/counselor contest, or counselors helping in another group when a fellow staff member is out; we saw kindness in action every single day. One of the highlights of the week was building our ROCKS Garden on Camp Kindness Day. Led by our Assistant Specialists, everyone onsite at camp painted their own rock with pictures and words that spark kindness & happiness—a reminder that will live on long after the week is over. Our new ROCKS Garden is a space where we celebrate everything we stand for, and where we remind ourselves (and future campers) that we all have the power to make someone's day better. Our ROCKS values—*Ruach*, Opportunity, Community, Kindness, Strength—are more than words on a banner. They're the foundation of everything we do. This is what camp is all about—being our best selves, supporting one another, and showing the world who we are and what we stand for. Week 3 reminded us that kindness isn't just powerful...it's contagious. And we can't wait to see it continue to grow all summer long.

Over at **JPAC**, the spotlight is on confidence, creativity, and character! Campers are discovering their voice, learning the fundamentals of acting, dance, and stage presence. And for those who thrive on movement and competition, **Maccabi Sports Camp (MSC)** is the place to be. Campers are testing their skills, building sportsmanship, and staying active all day long. It's non-stop action, friendly competition, and tons of fun!
