

# ROCKS RUNDOWN

Summer 2025, Week 4 Edition

## DIRECTOR'S CORNER

What an incredible Week 4 it has been here at camp! As the summer continues to unfold, our pride in being a JCC camp grows stronger each day. We are rooted in tradition, community, and values—and this week truly embodied the *ruach* (spirit) that makes our camp so special. The highlight of the week was undoubtedly Israel Day. The entire camp was buzzing with energy, music, and joy! From a spirited Israeli dance show performed by the *Tzofim* (scouts) caravan to putting our IDF strength to the test through a bootcamp style obstacle course—everyone had an awesome day! What made this week even more meaningful was the arrival of a cohort of Israeli teens, who brought fresh energy and authentic Israeli spirit to camp. Their presence reminded us that we are part of something larger—a global Jewish community—and it was inspiring to see our campers & staff embrace this living connection to Israel. Every day, our campers bring their hearts, their curiosity, and their laughter. And every day, our staff brings their dedication, creativity, and a deep commitment to our ROCKS values. That is how we put the R in *Ruach*! Thank you for being part of this journey with us. We can't wait to see what the rest of the summer brings!

*850 campers, 350 staff, 34 magical summer days... Let's go Camp Yachad!*
