

## DIRECTOR'S CORNER

The countdown is officially on ... CAMP IS IN THE AIR! In just a few short weeks, our buses will be rolling, our fields will be buzzing, and Camp Yachad will once again come alive with the energy, laughter, friendships, and memories that make summer our favorite season of the year. With nearly 900 campers and an incredible team of over 300 counselors, specialists, & supervisors, ready to go, we're officially in 'camp mode!' The planning, preparation, training, and excitement that have been building all year long are about to turn into the summer we've been dreaming about.

This month, we're mixing things up a bit. **Rather than our usual Rundown, this edition serves as your one-stop guide for everything you need before Day 1.** From important forms and schedules to reminders, updates, and helpful tips, we've packed this newsletter with all the information you'll need to make sure both you and your camper are ready for an amazing start to the summer.

**So grab a cup of coffee, scroll all the way through, and make sure nothing gets missed!**

We cannot wait to welcome everyone back home to Camp Yachad. Summer is more than just a season—it's a collection of moments that become memories, friendships that become family, and experiences that stay with us long after the final bus pulls away. Here's to new adventures, endless laughter, unforgettable memories, and the best summer yet. Camp is almost here... and we couldn't be more excited!
