

Looking for a way to learn something during your coffee break?

We've got you covered! Use your coffee hour to learn about accessible telecommunications services by NJ Relay & CapTel. These services are available at no cost to anyone who lives or works in New Jersey!

Interested?

Sign up for one or all of these monthly webinars! All webinars run for one hour and are accessible with live captions and American Sign Language.

- **Captioned Telephone (CapTel)**
Talk, listen and read captions on the phone!
- **Relay Conference Captioning (RCC)**
Get captions for your video meetings, conference calls and webinars.
- **Relay Services for People with Speech Disabilities**
Speech-to-Speech, Video-Assisted Speech-to-Speech, Hearing Carry Over, Sprint IP Relay – communicate on the phone with confidence.

Simply register at www.njrelay.com/webinar.

A confirmation email with the details will be sent to you.
