

JCC Food Policy for Rentals

Please note that the JCC of Central NJ prefers that food brought in to our agency is Kosher but requires at a minimum that food follows a Kosher-style menu. Generally, Kosher-Style food does not include meat from forbidden animals, such as [pigs](#) and [shellfish](#), and does not contain both meat and milk together.

You may contact our onsite Kosher vendor, Jerusalem Pizza @ 908-889-8800 x 258 to arrange a menu or you may choose to use a caterer of your choice. Any caterers who will be operating at the JCC of Central NJ must provide a Certificate of Insurance. A Certificate of Insurance is not required for food delivered to our lobby area.

Thank you
